**finest**  
OFFICE FURNITURE SUPPLIES

## Finest Office Furniture Supplies

Founded in Hong Kong in 1992, the Finest network now spans over China and 14 countries internationally. Our reputation for exceptional quality, design, workmanship and service is part of a simple philosophy: to provide the finest office systems efficiently and sustainably. We are committed to this, and innovate constantly.

Our showrooms in Tsim Sha Tsui showcase our impressive range of world class Finest designed office furniture, and products sourced from leading European Designers.

Finest have a staff of over 200 people – all dedicated to providing the best service possible. Our Shenzhen office, set up in 2014, specializes in providing full sales support.

Our latest and most exciting project to date - this year we will open Hong Kong's first co-working center dedicated to interior designers, product designers and architects.

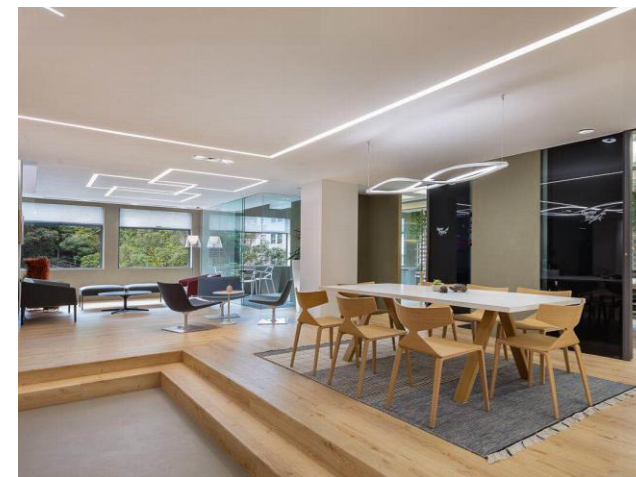

## Hong Kong Tsim Sha Tsui Showroom

## Hong Kong Lai Chi Kok Showroom

## Guang Dong Fo Shan Showroom

## Foshan Nanhai Factory

Our 30,000 square meter factor in Guangdong

Foshan focuses on the design and manufacture of our Finest range of products.

Our production process uses German automatic machinery renowned for its high efficiency and quality. We can then showcase our impressive range in our architecturally designed showroom.

# STORAGE SOLUTIONS

## Color Guide

All the adopted plain panels come from the largest panel manufacture in Asia-Metro ( Thailand ) and Mieco (Malaysia ).The panel is in line with the international environmental standard --E0 grade ,the maximum formaldehyde emission is less than 5mg for each 100g Wood-based panel.

The veneer is adopted German Suddekor paper which not only has great quality but also maintaining the special feature of wood with vivid lines.

## MFC board

18 options of MFC color

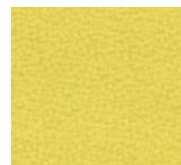

## Screen fabric

Following the fashion trend , the 16-color fabric in Taiwan's Fuji series are carefully selected. It's anti-fouling, moisture-proof, dust-proof, etc. The fabric is also durable, flame-retardant, antibacterial with British BS-5852 fire retardant test passed .
